EDUCATION

ODESSA POLYTECHNIC NATIONAL UNIVERSITY — Odesa, Ukraine
Bachelor of Science in Information Systems and Technologies — Graduated: Jun 2025
- Focus: Full-Stack Software Development & Artificial Intelligence
- Coursework included: Web Development, Backend Systems, Databases, Machine Learning, Artificial Intelligence
- Accredited by the National Agency for Higher Education Quality Assurance (Ukraine)

WORK EXPERIENCE

ISRAEL DEFENSE FORCES (IDF) — Israel
Frontend Developer — May 2023 – Dec 2025
- Designed and implemented scalable frontend architectures for internal military systems
- Developed responsive, high-performance UI components using modern JavaScript frameworks
- Collaborated with backend, design, and product teams to deliver secure, mission-critical applications
- Optimized usability and performance in a high-security, deadline-driven environment

FREELANCE — Odessa, Ukraine
Fullstack Developer — Sep 2021 – Apr 2023
- Developed full-featured web applications, handling both frontend and backend architecture
- Built responsive UIs and managed server-side logic with Node.js, Express, and modern JS frameworks
- Designed RESTful APIs, integrated third-party services, and optimized database performance
- Collaborated with clients to gather requirements and deliver secure, scalable solutions on time

UNIVERSITY PROJECTS

DATA VISUALIZATION PLATFORM — Feb 2025
- Built a web app collecting, processing, and displaying demographic, economic, and social data by country/region
- Implemented backend services for data aggregation and fast querying of large datasets
- Developed responsive, interactive UI with charts and maps for dynamic data comparison

ACTIVITIES

INDEPENDENT IT PROJECTS & COLLABORATION — Israel
Ideation Lead — Sep 2024 – Present
- Led development of innovative projects with IT specialists
- Managed planning, task distribution, and implementation of creative technical solutions
- Explored emerging technologies, fostering knowledge sharing and professional networking

PARTICIPANT IN IT EVENTS — Israel, Tel-Aviv
Community Member — Jan 2023 – Present
- Attend conferences, hackathons, and workshops to stay updated on technologies
- Network with professionals to explore trends, tools, and best practices

TECHNICAL SKILLS

Languages & Frameworks: JavaScript, TypeScript, React, React Native, Next.js, Node.js, Express
Frontend & UI: Sass, Tailwind, Shadcn UI, Redux, Responsive Design, WebSocket, Data Visualization (D3.js, Chart.js)
Databases & Backend: MongoDB, PostgreSQL, Firebase, RESTful APIs, GraphQL, Server-side Rendering
DevOps & Tools: Docker, Git, Deployment (Vercel, AWS, Heroku)
